Notice Concerning Construction of New Buildings

JEOL Ltd. (the “Company”) hereby announces that it has resolved, at a meeting of the Board of Directors held on May 28, 2025, to construct a new building at the Akishima Main Office Plant as follows.

It also plans to construct a new building at the Tendo Plant (JEOL Yamagata Co., Ltd.) in Yamagata Prefecture.

1. Purpose

The new buildings will be constructed as part of the growth strategy under the new medium-term management plan “Evolving Growth 2.0 - A New Horizon -” launched this fiscal year, and the Company will build a strong business foundation for sustainable growth. Based on the concept of optimizing the Company's production bases, it will build environment-friendly plants that actively incorporate energy-saving technologies while striving to further improve productivity by incorporating the smart factory concept, for the purpose of conducting R&D and production of high-end scientific and metrology instruments, which will be expected to serve as a key pillar of future growth, at the Akishima Main Office Plant and the aim of cost reduction and shortened work periods for scientific and metrology instruments at the Tendo Plant.

2. Summary

Main Office and Akishima Plant

Location	3-1-2 Musashino, Akishima, Tokyo 196-8558, JAPAN
Purpose	R&D and production of high-end scientific instruments, office space, etc.
Construction period	January 2026 – December 2027
Total construction floor area	27,451 m ²
Total Investment amount	Approximately 25 billion yen

Tendo Plant (JEOL Yamagata Co., Ltd.)

Location	1655 Oobotoke, Aza, Yamaguchi, Ooaza, Tendo, Yamagata 994-0101, JAPAN
Purpose	Production of scientific and metrology instruments
Construction period	May 2025 – March 2027
Total construction floor area	11,086 m ²
Total Investment amount	Approximately 9 billion yen

3. Impact on operating performance

This business is scheduled to commence operations in fiscal 2027, and the impact on the consolidated financial results for the current fiscal year is minimal. The Company will promptly notify you of any events that should be disclosed in the future.
